# **Newby and Scalby Primary School**

## **Physical or verbal aggression towards members of the school community**

**The governing body will not tolerate any form of physical or verbal aggression against members of the school community.**

If there is evidence of any such aggression the school may:

- ban the individual from entering the school site, with immediate effect;
- request an Anti-Social Behaviour Injunction or a Criminal Behaviour Order;
- prosecute under Anti-Harassment legislation.
- call the police to remove the individual from the premises, under powers provided by the Education Act 1996.

*The Headteacher would like to thank parents who conduct themselves in a reasonable manner when dealing with staff in a variety of circumstances around school and assure them that this policy statement has been established as a preventative measure rather than in response to previous conduct on the part of any visitor.*

The School will adhere to the Data Protection Principles and other legislative requirements set out in the Data Protection Act 2018, General Data Protection Regulation, and related information governance legislation.
