Inclusion Policy

Inclusion at Newby and Scalby School is concerned with the identification and removal of barriers to the learning, participation and achievement of all within the school community.

Purpose

This policy will underpin all other policies of this school and will ensure that the provisions of:

- SEND Code of Practice;

are implemented and underpin all aspects of the school's work.

Aims

- We are committed to giving all our children every opportunity to achieve the highest standards.
- To provide a progressive and cumulative development for each child based on ongoing assessment.
- We respond to pupil's diverse learning needs.
- We provide other curricular opportunities outside the National Curriculum to meet the needs of individuals or groups of children.

Provision

This policy takes into account the diversification of children and caters for the needs and makes provision for:

- Girls and boys
- Minority ethnic and faith groups
- Children who need support to learn English as an additional language
- Children with special educational needs
- Gifted and talented children
- Children who are at risk of disaffection or exclusion
- Travellers and asylum seekers
- Persistent late arrivals
- Children with repetitive behaviour problems
- New arrivals into school
- Children with specific physical disabilities
- Children in temporary or permanent foster care
- Any other identified need

Through regular monitoring and reviewing of our provision we will make any necessary changes that are required to ensure all children will achieve their potential. This will be done through:

- Establishing positive learner-staff relationships
- A differentiated curriculum.
- Every child should be given the appropriate learning material and curricular and teaching approaches through which success can be achieved.
- All staff need to be aware of the diverse cultures and backgrounds which the children bring to the school setting and can influence the way they learn.
- Teachers planning should adapt to encompass all pupils to ensure they fully take part in lessons effectively.
- All pupils need to feel that their contributions are valued
