

Friends of Newby and Scalby Primary School
Registered Charity No. 1062531

The Friends of Newby and Scalby Primary School run a uniform shop, where all logo items of school uniform can be purchased, at prices that are equivalent or less than other local stockists and all monies raised from purchases are used to benefit the school.

The shop is currently being run by Penny, on behalf of the Friends of the school, every Thursday during term time, at 2:45-3:30pm. Please come to the school Main Entrance and Penny will come to talk to you outside.

As well as new logo items of school uniform available, the uniform shop also sells as-good-as-new uniform, including trousers, shorts, dresses, skirts, summer dresses as well as logo items of uniform (with a large amount available particularly in sizes suitable for children in EYFS), with items priced at £1 or less.

The uniform shop is only able to accept cash or cheque payments.

New logo items can also be purchased online directly from our local supplier's website, www.edgeclothing.co.uk Prices online are the same as at the uniform shop, with the school still benefiting from any monies raised from the items purchased and delivery, either to school during term time or your home address during the holidays, is free of charge.

Please note, you do not need to purchase a school book bag, as all new starters to the school are given one by the Friends of the school.
