Group _____ Spelling test date : 15.12.21	This week's theme: Hyphens can be used to join a prefix to a root word, especially if the prefix ends in a vowel letter and the root word also begins with one.	Please note: Words in bold will be tested by definition. The children will be given the definition and will be asked to write the word which fits the description.
Parents/ Carers, please help your child(ren) to learn these spellings by saying them in a sentence, so they understand the meaning. Another helpful strategy is to display these spellings somewhere where your child will see them often.
