25.11.2022

Menu Week 3—W/B 28.11.22

**The highlight of the week ...** has been the joy and confidence of the Y4 and Y6 children in sharing their learning with their parents, and grandparents. In Y4 the focus was on their recent residential visit to East Barnby and how they have reflected on their challenges in school since. 'It was lovely seeing the children showing their mums and dads amazing work,' wrote one parent. 'It was great to allow us to picture the classroom,' and 'It was important to her to share,' said others. The Y6 children impressed with their work and their interests around their First World War history learning. Both events were very well attended. Other year groups are showing their work next week. Thank you to everyone.

## Other news ...

- Children in Need raised £473.18. Thank you for your generosity.
- The Eco warriors were welcomed by St Lawrence's church to participate in a ceremonial tree planting to commemorate the Queen's Jubilee. They were able to share our experiences in school as well as taking part in a short service. See the latest news section of our website.
- A working party of adults and Eco Warriors followed Miss Blakeley's planting plan to finish the first stage of our hedgerow.
- Mrs Harris, me and the choir took part in a rehearsal with children from other schools for this year's Festive Spectacular that takes place on Saturday, 10th December. They sounded brilliant. Ticket details accompany the newsletter. My thanks to all the staff who gave up time to help the event run smoothly.
- Paddy Billington from This is the Coast visited us today for the whole school to record 17 Sleeps 'til Santa. Listen out at around 8.00 on 8th December to hear the children sing, some of the school council talk and the choir giving a brief example of what they will sing at the Festive Spectacular. A video will appear on This is the Coast's website
- Mrs Price and Mrs Bland expertly organised photographs for the whole school. Your child will be bringing home a proof copy today. Orders need to be placed online **by 2nd December** for delivery to school before Christmas.
- On Friday, 2nd December Y6 will run Christmas themed stalls. It is a small-scale Christmas Fair that is only for the children in school. All proceeds will go to the Friends of Newby and Scalby School which we are drawing up plans to re-develop in the new year
- We have included dates for the diary for the very busy last three weeks of this term.
- Our kitchen had a visit from Environmental Health and have again been awarded a food hygiene rating 5
- Scalby village will be switching on their Christmas lights between 6-7pm on Saturday, 26 November

**And finally ...** Eco Warriors, who have been very busy recently, are teaming up with the police and council traffic teams to positively support the parking around school on Monday, 28th November. Some children will be beginning their traffic survey that they will be able to use as evidence as they develop their plans. Our local PCSO, Nick Gilbert, will be on hand to give advice and collect opinions. I know we can rely on everyone associated with the school and the local community to come up with some great ideas to support our children.

*Best wishes, Paul Davidson Interim Headteacher*

# Working to learn together
