

# Weekly Wrap-Up

Friday 16th May 2025

## Important Info

Week commencing 19.05.25 - Menu Week 3

**Sport Days!** - Below are the dates for this year's Sports Days. AM sessions will run 9:00am-11:30am and PM sessions from 1:30pm-3:00pm. Further information will follow.

**Dinner Money** - Please ensure all dinner money accounts are settled before the end of this half term. School's policy states that all school meals should be paid in advance, we are unable to offer credit in respect of school meals.

## Diary Dates

### Dates For Your Calendar

#### Summer Term

##### Next Week

**20.05.25** Y1 Visit to South Bay  
**22.05.25** 2025 New Starter Meetings  
**23.05.25** EYFS Litter Pick  
**24.05.25** Break for Half Term

##### For the future

**02.05.25** School Re-opens after Half Term  
**09.06.25** EYFS Sports Day AM  
**09.06.25** Y1 Sports Day PM  
**10.06.25** Y2 Sports Day AM  
**10.06.25** Y3 Sports Day PM  
**11.06.25** Y6 Sports Day AM  
**12.06.25** Y4 Sports Day AM  
**12.06.25** Y5 Sports Day PM

## Update from the head

Hello everyone,

Thank you all for a wonderful week at Newby and Scalby. This week has seen the year 6 children complete their SATs tests. Each day started with a lovely breakfast and an opportunity to relax and have a game of Top Trumps before each test. The tests are now all completed with all children trying their very best. I am so proud of their work ethic and the teamwork seen in supporting each other.

A quick reminder please that dogs are not allowed on the playground at the end of the day, when collecting children.

The Newby and Scalby Friends are looking for new recruits. If you would like to volunteer some of your time and support the Friends raise funds for school, please get in touch with the school office. The Friends do such wonderful work for our school, with many events made possible because of their efforts.

I hope you all have a lovely weekend.

Thank you, as always, for your incredible support!

Mr Wriglesworth

## Class OC & OS

This week we have continued to create artwork inspired by the artist Lowry. The children have learnt how to use pastels and charcoal to create their own art with Scarborough buildings as inspiration. In music, we have continued to read the story 'Blown Away' and sung a song inspired by the book. We have lots of performers in both classes!

In maths we have explored shape, we have looked at how shapes can fit together to create tangrams. We have used vocabulary such as; rotate and complete to make our own shape pictures.

In phonics, most children have continued to read longer words with the 'ed' ending. Next week we will re-assess the children. They will then hopefully receive a book with more challenging words.

Year 1

## Class 1A & 1S

This week in Art, Year 1 have been getting their hands messy and creative with clay! We've been exploring how to shape and mould clay to create natural sculptures, inspired by Richard Shilling. The children have shown fantastic focus and imagination as they practiced different techniques, ready for their big clay sculpture project next week. We can't wait to see their final creations!

In English, we've been busy boxing up our innovation of the story of The Magic Porridge Pot, getting ready for our exciting hot write. In Maths, we've been exploring measurement and length—comparing, ordering, and using language like longer, shorter, and taller. The children have worked so hard this week!

As the weather changes and layers come off during the day, please make sure your child's jumpers and cardigans are clearly named to help us return any lost items quickly.

Also, a kind reminder that toys from home should stay at home to avoid any getting lost or damaged.

### Class 2S & 2Mt

This week we completed our innovated write and practiced using tools from our toolkit in our stories! We designed our own monster today in English which will be the inspiration for our 'hot write' next week.

In history we learnt about the jobs of Victorian children - lots of us were very interested in the rat catcher! In RE we continued our learning about special days and explored how Muslims celebrate Eid al-Fitr.

In art we learnt about our knew 'important person' Kazimir Malevich and looked at how he had use primary/secondary and warm/cold colours in his paintings. In PE we enjoyed working on our fielding skills trying to beat our opponent to collect all the beanbags.

Just a reminder that we swap reading books on a Friday so if we could have your child's reading book and record in school to change them on this day it would be appreciated 😊. We have had another very busy and lovely week in Year 2!

### Class 3C & 3WR

In science, we explored the fascinating world of magnetism, a non-contact force. The children were amazed to discover that the Earth itself is a giant magnet! We learned the terms repel and attract, then had fun experimenting with bar magnets to see these forces in action.

Our exploration of Ancient Egypt continued this week with a focus on the famous archaeologist Howard Carter. We examined different viewpoints and carefully considered what the evidence from King Tutankhamun's tomb and mummy can tell us. The children shared some brilliant ideas and asked thoughtful questions – true historians in the making!

The children have truly impressed us with how much their cricket skills have developed this term. We've seen some fantastic batting and brilliant fielding on display. Watch out, Team England – we've got some rising stars in the making!

# Year 4

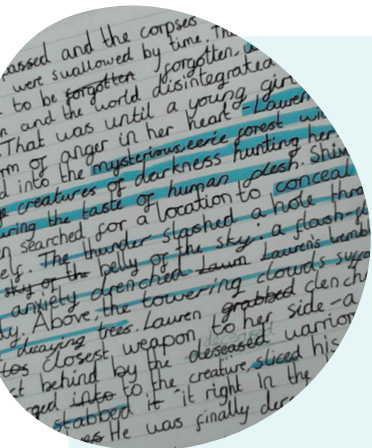

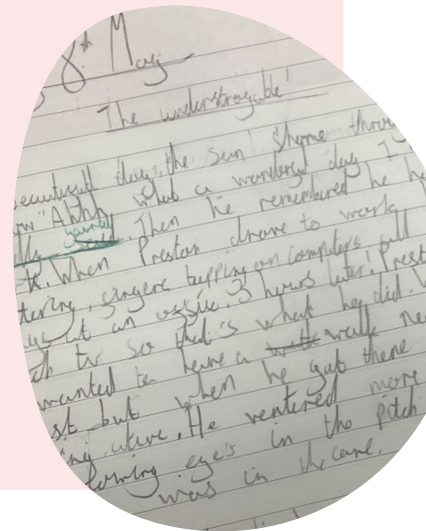

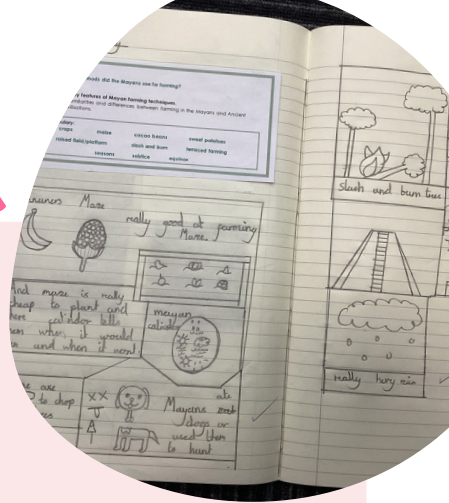

## Class 4S & 4M

This week, Year 4 have been writing their innovation 'defeating the monster' stories. We have really focused on our speech punctuation and keeping it interesting by using "speech sandwiches" and including their actions as they were speaking.

In maths, we have been exploring Perimeter and area further, concentrating on rectilinear shapes. In reading, we have continued to get to know the characters within our book, Krindlekrax.

In PE, we have continued to work on our batting and fielding in both rounders and cricket.

Our unit in history has looked at Mayan religion and farming this week. We weren't keen on the sound of the cocoa bean hot chocolate with chilli flakes or the mushes maize bread.

# Year 5

## Class 5G & 5BT

It has been another brilliant week in year 5! This week, we have finished our innovation of our defeating the monster stories, and the description used in the writing has been outstanding! The vocabulary choices have been so impactful, and the children are pushing themselves to use year 5 punctuation more regularly- well done everyone! We have also started our new unit in maths, position and direction, with the children showcasing their impressive knowledge of how to use coordinates.

We have also started the final task in our art unit this week, with the children using their set square skills to draw a landmark in London, and we have discussed whether Henry VIII was a good king or not, looking at the reformation of the church and the many reasons behind why people in England were motivated to do it. Well done everyone!

## Class 6BT & 6B

We could not be prouder of the Year 6s!

Every day, they have blown us away with their determined attitudes, sunshine smiles and positive thinking. Every single one of them should be so proud of what they have achieved this week, no matter what the outcome is.

Next week, we will be holding auditions for the Year 6 play, 'Little Red Riding Hood' which we know lots of the children are very excited about. They will have an audition piece to learn and perform.

During next week, they will also be starting to think about planning Sports Day, ready to run these for after half term. Brainstorming some ideas of events at home may be useful to get their brains ready for this task.

Thank you again for all the hard work that has gone in at home helping the children to feel prepared for this week; it has made a difference.

## Attendance

### Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

#### EYFS

Miss Cousins	87.7%
Miss Scott	94.7%

#### Year 1

Mrs Allenby	98%
Miss Scuffham	95.7%

#### Year 2

Mrs Stubbings	98.6%
Mrs McGuinness/Mrs Tipple	97.2%

#### Year 3

Mrs Clayton/Miss Elliott	94.3%
Mrs Wadley/Mrs Rowe	94.3%

#### Year 4

Mrs Smith/Mrs Winspear	96.9%
Mrs Murphy	91.9%

#### Year 5

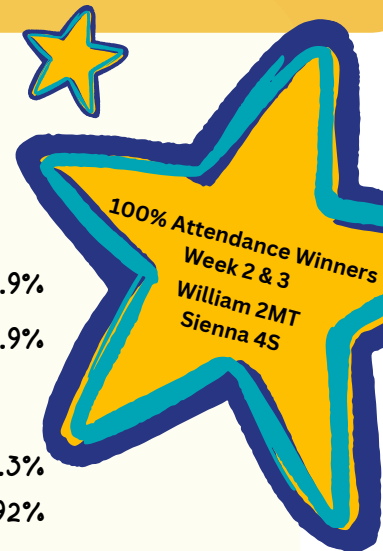

Mr Bolton	90.3%
Mrs Gortzak/Mrs Winspear	92%

#### Year 6

Mrs Bates/Mr Wriglesworth	92.9%
Miss Blakeley	98.2%

### Week 4 attendance winners

Congratulations to Mrs Stubbings's Class

## Other News

### Reading Yurt

A massive thank you to the Friends of Newby and Scalby for giving the funds to allow us to buy a yurt that we have put up on the field. This yurt will be used as a calm space that children can use to read and relax.

Watch this space for more wonderful additions to our outside area...

### Attendance Rewards

Classes earn rewards by winning a letter every day the class has 100% attendance at morning register. Once they've spelt out **Newby & Scalby** each class votes for their reward.

1A celebrated their 4<sup>th</sup> Attendance Reward this afternoon. They enjoyed a movie with Popcorn. 6B will celebrate their second reward next week!

### Y5/6 Track & Field League

6 Year 5 children who expressed interest in athletics, had an incredible opportunity this week to experience competing on a full size athletics track. Promising future talent was on display.

## Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
